

...the Ultimate All-In-One E-Table

The X-Table's innovative design seats up to eight players; each with their own 15" touch screen, bill validator and ticket printer. Players can come and go without disturbing other players or interrupting game play. A large communal screen tracks player decisions, pot totals, game progress and game outcomes, making it easy to follow game play and attracting potential players to join.

Enhancing all the cost savings and security you've come to expect on a DigiDeal electronic table, the X-Table requires no dealer or host and is powered by a robust client/server architecture delivering a rich graphical environment that intuitively leads players through game play.

The X-Table, with its sleek, comfortable design and economical footprint, is fully network compatible and compliant with SAS-enabled financial tracking systems; making it easy to integrate into any existing casino floor plan.

Texas HOLD'EM XTREME ...on the X-table

Texas Hold'em Xtreme is traditional Texas Hold'em at its best. Now the novice and experienced player alike can enjoy the fastpaced excitement that is Texas Hold'em Poker. Our extensive Info/Options screens explain the game in detail and allow for players to set personal options, Call Attendant or to Sit Out. Running tournaments is as easy as flipping a switch! Casinos can preset tournament settings ahead of time as well as save settings for multiple tournament choices.

Classic BLACKJACK ...on the X-Table

...with More Ways to Win Big!

Classic Blackjack delivers the enjoyment of blackjack with the added excitement of bonus bets! There are four popular bonus side bets for the casino to choose from: **High Tie Blackjack® Bonus** and **Upcard Luck 21™ Bonus**, which are paid on the first two cards or "hole" cards; and the **Bad Beat Blackjack® Bonus** and **Buster Blackjack™ Bonus**, which are paid on the final hand outcome or "end game." Now the operator can decide what type of bonus side bet and how many to offer its patrons: two, one or none at all. Multiple pay charts are available for each side bet. Maximum of two side bets in play at one time (one hole card and one end game).

Classic BACCARAT ...on the X-Table

...with More Ways to Win Big!

Classic Baccarat delivers all the fun of traditional baccarat plus it has two optional bonus bets to choose from! You can choose to play Classic Baccarat with both bonus bets, only one bonus bet, or no bonus bets at all! Choose between our **Win Sum Bonus™** bet and the popular **Match Card Bonus™** bet. Both bonus bets have several pay charts to choose from. Maximize both fun and profits with this new title!
